

## About us...

Located in Chattanooga, Tennessee, you will find a rare combination of surgical artistry and Christian compassion from the Board Certified surgeons and staff at Advanced Surgical Concepts.

Dr. Gardner, Toni Ryan FNP, Dr. White

Board Certified Cosmetic Surgeon Dr. James E. White, MD, FACS and Fellowship Trained Cosmetic Surgeon Dr. Vincent Gardner, MD, FACS, offer surgical expertise from the latest cosmetic surgery procedures in a state-of-the-art, AAAHC accredited surgical facility. Our surgeons are regarded as experts in mini-face-lift, breast augmentation, varicose vein, laser skin resurfacing, tummy tuck, eyelid lift, brow lift and liposuction procedures.

Surgery performed in an AAAHC accredited suite at Advanced Surgical Concepts

Through the use of the latest technologies, Drs. White and Gardner strive to transform the lives of their patients with natural enhancements allowing for minimal scarring, minimal downtime, and optimal patient satisfaction.

Dr. Gardner & Dr. White making surgical rounds in Jacmel, Haiti 2010

As skilled surgeons, Dr. White and Dr. Gardner are eager to share their expertise in surgery with less fortunate, third world countries. In 2010, they embarked on a medical mission trip to Haiti in the aftermath of the devastating earthquake. Other mission trips have been made to Yucatan, Mexico. In addition to being cosmetic surgeons, Drs. White and Gardner are Diplomats of the American Board of Phlebology who have completed more than 7000 EVA procedures since 2002.
